Dear Parents,

**Important 2015 consent forms**

Please find attached to this letter three important consent forms that need to be completed for **every child** who attends Our Lady of Mount Carmel Primary Wentworthville during 2015.

1. **Technology Acceptable Use Contract** (one page) – Parents are requested to discuss with their child the safe and respectful use of Information Communication and Technology (ICT) as outlined within the contract. Both parent(s) and child are to sign and date in the noted section.

2. **Consent form: Use of student's image and or work** (one page) - During the year, your child may create materials (Works) or may be photographed or filmed for our school publications, website and/or social media, or other print or electronic media (including third party websites). The school now requires this documentation that was part of the school enrolment application form on a yearly basis.

3. **Consent to sell raffle tickets** (two pages) - From time to time the school or the Parent and Friends will run raffles throughout the year. Due to changes in legislation relating to lotteries and raffles being amended and new regulations coming into effect from the middle of 2014, consent is required.

Further information regarding these consent forms is included with each document.

I would request that the **three forms** be returned for each child to their class teacher stapled by next **Friday 20th February 2015**.

Thank you for your anticipated support and prompt return of this form. Should you have any questions regarding one or all of these consent forms, please do not hesitate to contact me.

Yours sincerely,

Steven Jones
Principal
