KINDERGARTEN - KIDS LOVE TO COOK - IN-SCHOOL EXPERIENCE

NAME OF INCURSION: Kids Love To Cook

PURPOSE OF INCURSION: Kindergarten students will be participating in an interactive cooking experience where they will be making a delicious pasta dish. In English, we have been focusing on students talking and listening so they are able to follow directions and independently produce their own work. Through this experience, students will be following step by step directions to produce their own handmade gnocchi. This term we will also look at healthy choices with our eating in PDH. Your child will be able to cook fresh, handmade gnocchi for the whole family to enjoy!
