OLMC FETE / 100 YEARS CELEBRATION SHOWCASE

Dear Parents and Carers,

During our OLMC Fete, the students of Our Lady of Mount Carmel have an opportunity to showcase their talents through a choreographed group performance. Mrs Laus and Mrs Diaz have generously volunteered their time to direct our students in this showcase.

We are currently seeking interest and asking parents to consider the following to decide whether you and your child/ren are prepared to commit to the showcase performance requirements.

- Students are not auditioning for individual talent performances, this is a group performance that will be directed by Mrs Laus & Mrs Diaz
- This performance will occur at a scheduled time during the Fete. A letter will be sent home a week before the Fete outlining to families the specific time their child/ren are required.
- Parents are committing to attending the fete and ensuring their child is ready to go onstage 10 mins prior to the allocated time. We will not be chasing children on the day.
- All students who are interested can submit their interest, no formal training in creative arts is needed.
- Practise sessions will be held during school lunch time and are compulsory for students who are performing in the showcase.

As this is a group performance and students will be practising together to perform together, parents must understand that they are committing to having their child/ren at centre stage at the designated time. Students will only be able to participate and perform if the attached consent is completed and returned to school by Friday 1st July 2022

We are looking forward to sharing in this wonderful opportunity for our OLMC students to perform and share their talents with our community.

Kind Regards,

Karly Jouni
P&F President

Olimpia Pirovic
Principal

OLMC FETE / 100 YEARS CELEBRATION SHOWCASE

I give permission for my child to practise during lunchtime and perform on stage at the Fete showcase held on 21st October 2022.

I commit to attending the fete and having my child/ren at centre stage 10 minutes before the designated time provided.
