

**2022 NAPLAN READINESS TEST & INFORMATION SESSION FOR PARENTS**

Dear Parents,

In preparation for the online 'National Assessment Program - Literacy and Numeracy' [NAPLAN], we will be once again participating in the NAPLAN Online School Readiness Test during the week of March 23, 2022. The School Readiness Test is a practise run to test school infrastructure, test how devices cope in readiness for NAPLAN Online and provides students with an opportunity to become familiar with the test format. There will be ***no results provided*** from this online test. **All students are required to bring their own headphones or earbuds as there are audio components to all assessments.**

Parents and children can access demonstrations of the NAPLAN Online test by searching 'NAPLAN Online Demonstration' using this address: <https://www.nap.edu.au/online-assessment/public-demonstration-site>
