While the Fete is months away, there is lots to do. One thing to tick off the list is volunteer allocations. All stalls need to be sufficiently manned to ensure a successful event. To make the fete enjoyable for everyone, we need families from the school and parish to please volunteer at least ONE HOUR towards the fete. Many hours have been put into organising the fete and we are relying on your assistance to ensure the hard work pays off

We would appreciate at least ONE HOUR of your time to man the stalls on Friday afternoon from 3:00pm until 9.00pm and if you are able, assistance is required to set-up stalls on Thursday and set-down stalls/tidy grounds on Saturday morning.

We are again going to use the **signup app/website** to track our volunteer time slots for the fete. This is an easy way to put your name down to volunteer at a stall, see what spots need filling as well as for administration purposes. Time allocations are in ONE HOUR slots for the stalls 3:00-9:00pm. If you would like to help on a stall for longer than an hour, you will need to fill out multiple slots. You may volunteer individually or you may like to get a group for friends to work on a stall together. You are able to volunteer on more than one stall over the event, just select additional time slots on the stalls that interest you.

Attached is a brief description of our stalls which need manning on the day. This may change due to volunteer support causing amalgamation of stalls together or cancelled stalls. Stock will be purchased and priced prior to the event but some items may need to be picked up in the days leading up to the fete eg: ice on the day, pre-ordered food items, hired items, for which assistance may be required. Stalls may finish up before 9pm if stock is sold. Duties will vary depending on the stall. Each stall will be provided with a box containing stationery/required supplies, a manual with clear guidelines, contact numbers if help required, sign in sheet ETC. All you will need to do is show up at your allocated time, help the customers, keep the stall in order, collect the money received and enjoy the time helping to make history.

Thank you to those who volunteer for our history making special event. Please contact Karly Jouni if you have any questions 0447000536
