Year 6 Graduation Signature Bears & Balls

Dear Parents,

We are providing students the opportunity to purchase Graduation Bears or Balls for their family and friends to sign as a lovely keepsake and a great way of remembering the friendships they have made in their primary years at OLMC.

The Graduation Bear sits at 23cm high; the Soccer Ball is 18cm in diameter and the Football is 23cm in length and 15cm wide. All bears and balls come in a clear protective bag with a permanent marker for writing messages. The cost of each item is \$15.00.

Graduation Bear

Soccer Ball

Football

The money raised from the sale of the bears will go towards the Class of 2022 gift for the school. There is no obligation to purchase from the school, however, you may wish to make a separate donation towards the project.

Orders can be made via the Qkr! app. All orders must be finalised by Friday 28th October (Week 3). No late orders will be accepted.

Thank you for your support
