How can you help?

ONLY 92 DAYS UNTIL OUR CENTENARY

FETE

WE NEED STALL COORDINATORS

Hours and hours have been spent to ensure each stall is ready for our centenary fete. However, to ensure everything runs smoothly we are in need of volunteers to coordinate each stall. This means you would have responsibility in overseeing set up, running and pack up of your allocated stall.

So what's involved in being a stall coordinator?

Prior to our Fete day, Karly will ensure that each stall has all stock purchased, priced and packed as well as a crate with instructions, lists, signage, maps, layout plan, equipment, decorations, table cloths etc. All stock, and the crate with all your goodies, will be available for you from 10am, ready for stall set up. While the set up for each stall is directed by the coordinator, volunteer sign up and allocation will be taken care of for you, so don't worry, you won't be left alone! This doesn't stop you chatting amongst your social group and encouraging more volunteers, remember the more people who volunteer, the less we all have to do. The stall coordinators main priority is to ensure the stall is setup and ready by 12.30pm.

Our Fete begins at 3pm and we would ask that coordinators take the first shift as they are aware of all the ins and outs of the stall, then they can hand over to the next volunteer to ensure the stall runs smoothly. We do have a few stalls that require a coordinator to be present for the duration of the Fete eg Carmel's Kitchen (cooking elements). **THE GREAT NEWS IS....**volunteers have already started to sign up!

Use the below link to sign up as 'A Stall Coordinator'

(You can even choose a particular stall)

<https://signup.com/go/yOhPLhd>

While we understand that all families may not be able to stay until 9pm, we would ask you to keep in mind that we also require pack up support.

Remember many hands make light work.

Fete Coordinator	Karly Jouni
