Volunteers required

Dear Families,

There are less than **2 weeks** to go until our Fete! All stalls and teams need to be sufficiently manned to ensure a successful event. To make the fete enjoyable for everyone, we need families from the school and parish to volunteer at least **ONE HOUR** towards the fete. Many hours have been put into organising the fete and as we approach Fete Day, we are now relying on your assistance.

Attached to this note is a list of the times and stalls we still require volunteer help with. As you can see some stalls have already received sufficient volunteers; however we still have stalls requiring volunteers. You may choose to help out on a stall individually or as a team according to your talents or with friends. You can volunteer at more than one stall. We would appreciate at least **ONE HOUR of your time** to man the stalls on **Friday from 3pm until 9.00pm**. *Food and drink vouchers will be provided on the night for stall volunteers.* Stalls can only proceed with volunteers so we ask every family to allocate some time to help.

Don't underestimate how important one hour out of your time is to the smooth running of this celebration and allowing everyone the opportunity to enjoy the Fete with their family.
