

27th June 2022

Year 4 Reward Day Wednesday 29th June 2022

Dear Parents/Carers,

Year 4 are very excited to share with you that they have reached their classroom star card goal! To celebrate this achievement, Year 4 will be having a Mufti, Maths and Munchies Day on Wednesday 29th June 2022.

The children can wear **mufti clothing**, however, must ensure that they wear appropriate hats and footwear to complete their day activities safely.

The children are also invited to **bring their own snack/s** for our Maths and Munchies session. They will **not be allowed to share** their snacks due to health precautions, and we advise them to **refrain from bringing snacks which contain nuts**. As the snacks will be used for our Maths learning around fractions, we recommend that children bring a snack that can be easily manipulated. Some examples include: M&Ms, malteasers, skittles, smarties, jelly beans or popcorn.

Lastly, children are invited to bring a **board game** from home to enjoy with their peers. They are encouraged to choose a board game that engages with some mathematical skills such as identifying patterns or shapes, following coordinates, adding, subtracting or tallying scores or using money. Please ensure that the board game is clearly labelled with your child's name.

We encourage you to discuss the importance of being responsible for belongings with your child and look forward to enjoying their well-deserved reward session with them. Thank you for your support.

Kind regards,

Mrs Diaz, Mrs Dikha, Mr Jones & Mrs Pearn
