

YEAR 3
THE MATTER OF MATTER
IN-SCHOOL EXPERIENCE

NAME OF INCURSION: The Matter of Matter

PURPOSE OF INCURSION: In Science this term Year 3 students are learning about materials and the states of matter. They are learning to describe everyday examples of the changing states of matter. They are also learning about the scientific process where they will make predictions and observations during experiments.

To support their learning in Science, students will engage in an in-school experience focusing on the states of matter. They will participate in experiments by observing how adding and removing heat can cause changes in the states of matter.

DATE: 10th March 2023

PLACE: Our Lady of Mount Carmel School, Wentworthville

The cost of this experience is covered by the School Resource Fee included in your School Fee Statement
